## **PROFILE SUMMARY**

Aspiring Software Engineer with 13 months of professional experience at KPIT Technologies and multiple internships in Java, Web Development, and Front-End Engineering. Skilled in Core Java, Python, C++, HTML, CSS, MySQL, and experienced in agile practices, object-oriented programming (OOP), problem-solving, and cross-functional teamwork. Strong computer science foundation, eager to contribute to back-end and full-stack development in dynamic, growth-oriented environments.

## **TECHNICAL SKILLS**

- Languages: Java, Python, C++, JavaScript, HTML5, CSS3
- Databases: MySQL
- Concepts: OOP, Software Development, Agile methodology, Problem-solving, Basic Testing
- Tools: VS Code, GitHub
- Soft Skills: Communication, Team Collaboration, Time Management, Presentation

## **WORK EXPERIENCE**

### **KPIT Technologies, Pune**

Software Engineer | Oct 2022 – May 2023

- Worked as a full-time engineer after completing a 5-month structured training program.
- Applied Agile practices to strengthen knowledge of project management and teamwork.
- Enhanced technical expertise in C++, Java, and software testing fundamentals.

Trainee Engineer | May 2022 – Sept 2022

- Completed structured training in Java, OOP, agile methodology, problem-solving.
- Developed strong communication, presentation, and email writing skills.

- Gained exposure to professional etiquette, time management, and collaboration in a corporate environment.

## **ACADEMICS/PERSONAL PROJECTS**

### **University Management System**

Jul 2024 - Jul 2024

- Designed and developed a University Management System using Java for both frontend and backend logic.
- Used MySQL to create and manage the database, including student records, course details, and faculty information.
- Implemented core functionalities such as student registration, course assignment, and data retrieval.
- Focused on object-oriented programming, JDBC connectivity, and efficient database handling.
- Improved skills in full-stack development using Java and SQL.

## **INTERNSHIPS**

- Java Developer — Fork InfoSystems (Jul 2025 – Aug 2025)
- Front-End Developer — CodeAlpha (Aug 2024)
- Web Developer — CodSoft (Mar 2024)
- Web Development Intern — Amplifier Electronic (Aug 2021 – Sept 2021)

## **EDUCATION**

- B.Tech in Computer Science & Engineering  
Shree Santkrupa Institute of Engineering & Technology (2023 – 2026) | CGPA: 7.11/10
- Diploma in Information Technology  
Government Residence Women Polytechnic (2019 – 2022) | 75.19%
- SSC (10th)  
Madhyamik Vidyalay (2019) | 83.28%

## **CERTIFICATIONS**

- Java Development (Infosys Springboard)
- MySQL 8 (Infosys Springboard)
- Cyber Security (Great Learning)
- IoT Workshop (MakerInMe Technologies)
- Business Communication & Email Etiquette (Coursera)

## **ACHIEVEMENTS**

- Runner-up — Code Cracker State-level Competition
- Winner — Project Idea Presentation Competition
